Jason Ambrose, CVT

Successfully participated in and completed:

“Calcium Algorithms”

Presented by: Ashley Foy, Shockwave Medical

November 26, 2024 – Virginia Beach, VA

1 hour of instructor-led education

This class content includes the following learning objectives:

- *Explain the prevalence and challenges of coronary calcification*
- *Compare and contrast different calcium modification tools for the treatment of different calcium morphologies*
- *Describe the benefit of an algorithmic approach to calcium modification and treatment*

This activity is presented by Shockwave Medical in cooperation with The Center of Excellence in Education.

Barbara Furry MD

Barbara Furry, NPD-BS, MS, CCRN, Director of The Center of Excellence in Education

CEE Mission- The Center of Excellence in Education (CEE) CME program sees beyond the traditional administrative and crediting functions of medical education, and challenges itself to become a catalyst, advocate for, and a provider of education that promotes change, development and improvement to the physician's practice.
