THE AMERICAN BOARD OF SURGERY

ABS Waivers

Listed below are activities you completed (e.g., a CCA module) within the last five years that have reduced your overall CME requirements. If you comply with the Continuous Certification Program, you can reduce your Category 1 CME requirement by 12 credits every other year and eliminate the self-assessment requirement.

Earned	Expired	Description	Cat 1	SA
11/10/2025	11/10/2030	Certifying Examination in General Surgery	60	60
